

Cleanity Premium

Description & Application

It is a product formulated for the cleaning of all floor types, restoring to the floor its natural shine. Does not leaves trails or tarnished floors.

Characteristics

Its composition consists of a selected combination of surfactants that prevents trails to be formed on the floor, leaving it shiny and without marks, making it especially effective for floors with high gloss. Cleans the floor without being aggressive with it.

Product aimed at eliminating everyday dirt on marble floors, stone, terrazzo, ceramic, porcelain, granite as well as rustic and mosaic floors.

Limpiador Suelos Delicados leaves an intense and pleasant perfume in the cleaned area.
